

Istation

Supporting Educators. Empowering Kids.
Changing Lives.

Empower your students to soar!

It's all possible with Istation!

Istation is an internet-based comprehensive reading intervention program that ensures ALL students reach their full reading potential.

- Simplifies the RTI process for teachers by:
 - > Automatically monitoring students' progress on a monthly basis with our computer-adaptive testing
 - > Automatically classifying students into tiers for instruction
 - > Placing students on their own individualized learning path
 - > Offering access to real-time reporting
- Correlates to the Common Core Utah Performance Standards
- Unrivalled instruction that fuels student learning with engaging, interactive characters that make learning fun
